Meet your New CEO!

Hello everyone. My name is Pamala Mohn and I am your new President/CEO. Thank you for the warm welcome and amazing career opportunity. I have served on Blue Chip FCU's board for almost four years as Secretary/Treasurer so you may have seen me at past functions and annual meetings. I also served on the Supervisory Committee for a short period of time before serving on the board. I have a strong accounting background from working in public accounting and am very excited to help Blue Chip FCU excel in all aspects of the credit union movement. I look forward to working with the staff and meeting all of our wonderful members.

I currently live in the Harrisburg area with my husband, Jim, and two daughters, Carly and Ellie. I come from a family of railroad workers. My great grandfather and grandfather both worked on the railroad in Western Pennsylvania. My husband also comes from a family of railroad workers here in Central Pennsylvania.

I leave you with a thought of inspiration...

Dress for Success

If you have been in the credit union in the last two months, you should've noticed that we have been collecting clothes for an organization called Dress for Success. Dress for Success is a charity that accepts used business clothes and donates them to less fortunate people who cannot afford to purchase dress clothes. The clothing can be used for job interviews, meetings, conferences, and other various business situations. As of the end of June, we have collected and donated over 40 different articles of clothing including shoes, suits, dress shirts, and all types of other professional attire. The staff and I at Blue Chip Federal Credit Union would like to thank everyone who has participated and helped to contribute to the success of this charity project.

Amy Got "Arrested!"

As a part of our continued contributions to local charities, Amy was nominated to represent Blue Chip Federal Credit Union in raising funds for the Muscular Dystrophy Association! She was taken to "jail" and we were required to raise money to bail her out. We ended up raising about \$250.00 that was donated to the Muscular Dystrophy Association and set Amy free!

A special thanks goes out to our members who donated! Thank you for your generosity!

Congratulations to this years Blue Chip FCU Scholarship winners!

Alexa's Corner!

Businesses Wanted!

Hello Blue Chip FCU members! I hope you are gearing up for a fantastic summer! I have recently graduated from college and am working here full time in business development. We have some new and exciting things happening here at the credit union in an attempt to reach out to community businesses who may need a credit union. Please help us by mentioning to family and friends, who own their own business, that becoming a Select Employee Group is very simple to do at Blue Chip Federal Credit Union! Also to our current members who are business owners, are all of your employees members of Blue Chip FCU? If not, we want to help them by introducing our friendly staff, explaining the products and services we can offer, along with the low rates we can supply by being a credit union!

Blue Chip Federal Credit Union is a federally based, not for profit, credit union where eligibility is based upon our SEGs or Select Employee Groups for membership. You may also join if you are a family member of an existing member. However, we are able to add new Select Employee Groups or businesses by gaining approval from The National Credit Union Administration (NCUA), our Board of Directors, and by following several guidelines. It truly is a simple process that requires the owner of the business to write a letter of intent to Blue Chip FCU expressing your desire to join our credit union. It is at no cost to the business. Please ask me or one of our member service representatives for a sample letter to guide you. This letter would then be submitted to the NCUA and our Board of Directors for approval. This process may take up to 45 days. Once approved, you, your employees, and their family members are able to become members of Blue Chip FCU and participate in all of our services! Please feel free to tell friends and family members about us and do not hesitate to contact me with questions. My email is amaurer@bluechipfcu.org and all staff can be reached at staff@bluechipfcu.org. I hope you have a great summer! Stop by to see us soon!
