CATCH THE WAVE AND SAVE WAS A SUCCESS!

April is financial literacy month. This year we ran a raffle promotion encouraging our youth to save. During the month of April our youth deposited \$5,305. The winners of our gift card drawing were Sydney P. for Toys R Us and Taylor J. for Amazon.com.

Congratulations!

A Note from the President...

MEMBER LOYALTY POINTS

At Blue Chip FCU, we feel strongly that the loyalty shown to us by our members should be rewarded!!! When you become a Blue Chip FCU member, you are automatically enrolled in our Member Loyalty Program. A point value is awarded for each service you use with additional points awarded for your length of membership. These points add up and can translate into a discounted loan rate or an increased dividend rate—our way of saying thank you for being a member of Blue Chip FCU!

SAVE ON LOANS

When you need to utilize the credit union's loan program, the total number of points you are awarded

turns into a discounted rate for your new loan! Points may be applied to all of our fixed rate loan products. Your use of our services, along with your length of time as a member, can reduce your rate up to 1%!

INCREASE YOUR SAVINGS

Certificate of Deposit accounts are established for specific terms, and the dividends earned are higher than the standard savings accounts because you are restricted from making any withdrawals until the term ends.
