Note from the President

Money is only a tool. It will take you wherever you wish, but it will not replace the driver. – Ayn Rand

Good bye 2014 and hello 2015! I can't believe we are already over a month into the New Year! The staff and I are looking forward to another year of providing exceptional service to our members.

This is a great time to surf our website and get financially fit. We have many products and services at no to little cost for our members. Take advantage of our free online banking by signing up for our free mobile app. How many times have you thought to yourself, "Do I have enough money in my account for this purchase?" You can find that out within seconds by using our mobile app to check your balance and transfer the necessary funds for your purchase.

This is also a great time to open up a Christmas or Vacation account. We all know how quickly a year can go by. Don't put off saving for that next vacation or for those extra presents during the holiday season. You can easily have funds directly deposited to those accounts for your convenience.

As we continue to move forward in the New Year, the staff and I will continue to be available and work hard to assist you with all your financial needs. The items in this newsletter can get you started!
